Mission Statement
Website Design/Development

My mission is to complete Full Sail University in June 2018, with a Bachelor's degree in Website Design/Development. I will continue to work and provide the best effort possible towards my degree. With the help of my instructors and research, my determination will help me in completing my classes in timely matter, which will surely aid in my success. Succeeding in my mission will help me make a difference in the Website Design/Development field.

TEM Mission Statement

My mission is to get promoted to Sr. Training Manager at AT&T by February 1, 2016. I will accomplish this by continuing to work at being the best in my leadership and people management skills. My determination will push me to better my coaching and teaching abilities with my team members and with the acknowledgement of my skills, I will be able to instruct new hires. My adaptability will be shown by my willingness to new ideas and constructive criticism in my new position, which allows me to acknowledge my short comings and learn from them. Making a difference in someone's life has always been my passion. Believing and applying leadership, professionalism, making a difference, and most importantly determination will help me obtain a successful future.
